If this is the final exam in your certification path, you are required to complete the following steps.

- Visit [certification.oracle.com](http://certification.oracle.com) and select your certification path to ensure you are aware of all certification requirements.
  - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check [certview.oracle.com](http://certview.oracle.com) to confirm that all completed components are in your profile.
  - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
  - Contact [www.pearsonvue.com/oracle/contact](http://www.pearsonvue.com/oracle/contact) to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
